NOTE: This bar graph combines the "sold" listings of all office locations and independent offices of each multi-office or franchise organization identified, which listings were sold by such organization itself, or with the aid of a cooperating broker, according to data maintained by the Local Board or Multiple Listing Service for the geographic area indicated. The bar graph compares all those listings that were "sold" by each organization during the period 4/1/15-3/31/16. This representation is based in whole or in part on data supplied by TREND. Neither the Associations nor their MLS guarantee or are in any way responsible for its accuracy. Data maintained by the Associations may not reflect all real estate activity in a market. ©2016, RE/MAX, LLC. Each RE/MAX® office is independently owned and operated.
